## Arizona School Tax Credit

Arizona law ARS 43-1089.01 enables taxpayers a tax credit contribution of up to \$400.00 per calendar year if filing status is Married and filing a Joint Return; \$200.00 per calendar year if filing status is Single or Head of Household; and, \$200.00 per calendar year if filing status is Married filing separate return — for contributions that fund extracurricular activities in public schools. A tax credit is a full refund, not a deduction. Contributions eligible for a tax credit are donated directly to schools, not to the state or the school district.
