

Distance Learning Plan Template for Charter Schools

On June 24, 2020, Governor Ducey issued Executive Order 2020-41 *Prioritizing Kids and Schools During COVID-19* regarding the reopening of schools for school year 2020-2021. As part of the Executive Order, all public schools may submit a Distance Learning Plan (DLP) to receive the flexibility to offer distance learning options for students without an approved Arizona Online Instruction (AOI) program for the 2020-2021 school year. Charter schools are required to submit a DLP to the Arizona State Board for Charter Schools (ASBCS) prior to implementing distance learning. Charter schools may begin operating their DLP upon submission of the plan to ASBCS.

Charters may make revisions to improve their DLP at any time, but must submit those changes to the ASBCS within 10 business days of any substantive revision. Charters should contact their assigned Education Program Manager at the ASBCS to revise their DLP.

Instructions

A charter holder that wishes to provide distance learning under Executive Order 2020-41 must create a DLP using this template, provided by the ASBCS. Charter holders not utilizing the appropriate template will be required to revise and resubmit their plans. The template is a Word document that must be completed in its entirety and uploaded to a Google Drive, as specified in communications from ASBCS and each charter holder's assigned Education Program Manager.

In the sections found on pages 3-5, a charter holder will populate background information regarding charter holder and school information, including basic information about each charter holder's overall plan and intended number of instructional days.

Most areas of the DLP will be completed by breaking processes into discreet, sequential action steps that answer the questions of what, who, when, and how. The action steps require the charter holder to name the action, indicate who is responsible for the action, provide the frequency and/or timing of the action, and identify what evidence will exist to show that the step has been/is being completed. Areas should include multiple action steps in order to demonstrate that the charter holder has a "detailed plan" to "provide substantive distance learning", as required by the Executive Order. An example of a set of action steps for an area is below:

Distance Learning Plan Template 2020-2021

Action Step(s)	Person(s) Responsible	Frequency and/or Timing	Evidence of Implementation
<ol style="list-style-type: none"> 1. Develop full Professional Development Calendar that includes training on Virtual Instruction. 2. Provide pre-service training to staff on Edgenuity, Core Knowledge, Singapore Math, and required state training 3. Schedule and implement weekly virtual meetings with all staff to problem solve stakeholder struggles with virtual model 4. Provide virtual coaching to all virtual staff members when difficulties arise (through "classroom observations" or by staff request). 	<ol style="list-style-type: none"> 1. Dean of Academics 2. Administrative Team (Head of School, Dean of Academics, Instructional Coaches) 3. Dean of Academics and Virtual Instructors 4. Instructional Coaches 	<ol style="list-style-type: none"> 1. Meeting Notes 4. Coaching Logs

The example above is not intended to demonstrate that these are specific action steps a charter should use, nor that this is the best or most appropriate number of action steps. Rather, it is provided as guidance to show the manner in which the template is to be completed.

Other areas of the template will require the charter holder to check boxes to indicate specific tasks, strategies, or resources to be used for different stakeholders included in the distance learning process.

Distance Learning Background Information

a. *Number of Instructional Days (3.b)*

Each charter school shall operate for the required 180 days of instruction pursuant to Executive Order 2020-41 (3.b). An exception to this requirement may be granted by the ASBCS, if the school intended to switch to a different schedule for the 2020-2021 school year. If ASBCS previously approved the school to operate on a calendar that was not 180 days, but met the number of hours equal to 180 days of instruction, this provision is still met, and no action is required.

If the school intended to switch to a different schedule for the 2020-2021 school year, but has not yet been approved by the ASBCS, please contact your Education Program Manager.

Please note, pursuant to Executive Order 2020-44 the Arizona Department of Education (ADE) shall conduct an analysis of the need to waive the number of school days that schools are required to provide schooling and the impact of such a waiver by August 31, 2020.

We intend to operate distance learning only until the Governor allows schools to fully reopen. <input type="checkbox"/> 4. 	If you chose option 4 or 5 above, please provide a brief narrative explaining the details of the plan you will use:		
ALP will offer both an online and an in-person pathway. Parents who choose to keep their students home after our school is permitted to open will be able to continue with the online pathway. Parents who wish to send their students back to in-person, once we are permitted, will be able to do so participating in the "in-person" pathway.			

Is the charter requiring students to do distance learning? Yes, we are starting on our original calendar start date of 8/3/20.	Choose an item.
If students are required to do distance learning, is the charter school providing a physical location for students to go during the same hours of the day AND the same days throughout the week as it did in the FY2020 school year prior to the school closure?	Choose an item. Yes

**In the case of a statewide closure or delay of in-person instruction, the requirement to provide a physical location available for students is waived under the Executive Order 2020-41 until the State permits in-person instruction. If due to a COVID-19 outbreak and pursuant to A.R.S. § 36-787, the Arizona Department of Health Services directs a school to close temporarily in order to appropriately sanitize the facility, the requirement to provide a physical location available for students is waived.*

Attendance Tracking (1.a.i, 1.i)

a. Describe how the charter school will track attendance for students attending remotely, whether full time or intermittently.

The description must include the specific measures that will be used to determine whether a student participating in DL will be reported as present or absent on days when instruction does not take place in person. Attendance tracking may include methods such as:

- Communication with their teachers via telephone, ZOOM, MS Teams, or other digital meeting software.
- Student participation in a virtual meeting or classroom session (ZOOM, MS TEAMS, Google Meets, etc.)
- Daily assignments completed and submitted by the student.
- A parent attestation of documentation of time spent on educational activities.

The charter holder is advised that the ADE will continue to issue guidance on the topic of attendance, and should closely monitor updated information related to these expectations. Current guidance can be found here: <https://www.azed.gov/finance/school-finance-guidance-for-covid-19/>

If the Charter Holder currently operates an approved AOI, it must follow the AOI attendance requirements outlined by ADE and A.R.S. §15-808 for students enrolled in the AOI.

b. Describe the efforts the charter school will make to ensure all enrolled students are contacted and in communication on a regular basis.
